

Letter of Recommendation for Alexis Morille

August 18, 2003

To whom it may concern

Mr. Alexis Morille has completed an industrial placement at NEC COMPUTERS INTERNATIONAL from 14 April 2003 to 20 June 2003. The work involved :

1) Administration Intranet

M. Morille has developed Engineering Administration's intranet using XML and ASP technology. He successfully coded, conducted research and interviews, and completed all work assigned to him on time without any particular problems.

2) Presentations

M. Morille has also done several presentations about xml and web design. The presentations were clear and structured.

Alexis was nice to everybody at the office, and just about everyone seemed to like him. Thanks to his positive attitude he reached the targeted objectives.

I highly recommend Mr. Alexis Morille, he is the type of trainee that anyone would be happy to work with.
